**Excelpoint adds new product line, Fingerprint Cards**

---

 **FINGERPRINTS**

Excelpoint expands its product line through distributing the products of Fingerprint Cards AB (“Fingerprints”), a world-leading biometrics company headquartered in Sweden.

Fingerprints develops secure, convenient and high-performance biometric systems comprising sensors, algorithms, software and packaging technologies. Its product range will complement Excelpoint in many of its key segments such as automotive, mobile and computing, Internet of Things (“IoT”), and smart cards, whereby security is a rising concern globally. This collaboration will help Excelpoint develop integrated solutions to suit its customers’ needs in Asia Pacific, as well as open additional channels for Fingerprints and strengthen its position in Asia.

**Regional coverage**

- Southeast Asia
- Australia
- New Zealand
- India

**About Fingerprints**

Fingerprint Cards AB (Fingerprints) – the world’s leading biometrics company, with its roots in Sweden. We believe in a secure and seamless universe, where you are the key to everything.
